## *DEDICATION*

The Annual Staff respectfully dedicates this annual to Mr. Zeigler for all the work he has done to improve our school and to help make better all-around students. In the two years he has been with us, he has worked with never tiring interest. He takes an active part in all school affairs and is always ready to lend a helping hand wherever it is needed. His improvements can readily be seen. Our band has increased in size-----and volume, and our chorus has become a public interest. Mr. Zeigler has tried to make both chorus and band more interesting by making it a challenge. Without his courage to tackle the really tough problems, and his patience and understanding, none of this would have been possible. He has inspired each student and he will always be remembered.

Another school year is drawing to a close. On behalf of the Board of Education, Faculty, Staff, and Administration I wish to express sincere thanks to the patrons of the Seibert community for their continued cooperation throughout the past year.

Our projects have gone well this year. We have completed arrangements with Title I and Title II. Title I will add greatly to our remedial reading program and individualized instruction, while Title II adds to the library. A new fume hood has also been added to our science department.

I wish to extend a warm thanks to the students for their cooperation and all the while remembering that their future rests with the education they obtain. If they endeavour to reach for the highest goals in education, surely they will succeed in their greatest ambitions.

Wayne E. Lorance, Superintendent

## CLASS HISTORY

We, the present senior class of '66 began our long voyage of school years in the year 1954-55. The kids to begin this voyage were: Karen Officer, Hazel Stanlecker, Sue Boren, Donna Taylor, Charlotte McElroy, Carol Atkins, Edwin Hessey, Jeanette Gorton, Steven Santala, Victor, Cheryl Holt, and Ervin Jones.

During our grade school years we gained and lost many members.

Finally there came the day when 8 scared but happy kids started their high school careers as lowly green freshmen in September 1962. On the 30th of September we began to wonder if maybe high school wasn't too much for us and we might go overboard in the middle of our voyage. That year our enrollment was as follows: Carol Atkins, Jim Smith, Ervin Jones, Steve Santala, Hazel Stanlecker, Bill Cowgill, Jerry Eastin, and Jeanette Gorton. Our sponsor was Mrs. Janice Cassidy.

When our sophomore year rolled around we were well on our way in the high seas and another step up the long 12 step ladder. This year our enrollment included: Carol Atkins, Jeanette Gorton, Ervin Jones, Steve Santala, Hazel Stanlecker, Jim Smith, Bill Cowgill, Jerry Eastin, with Mrs. Cassidy serving as sponsor. We gained Mary Thompson and Janet Jarman, but we lost Mary by marriage and Janet moved away. Again leaving only eight.

We entered our junior year of high school on August 30, 1964. This year saw us one step from the top of the ladder and the seas growing increasingly rough as we journeyed on. Our enrollment was the same this year as our sophomore year. Mrs. Cassidy was our sponsor again this year.

The second week in September found us all beaming with pride over the arrival of our class rings. Our first big event of the year was our class play, "The Spy Glass," which was presented in the school gymnasium on November 20. On May 1, we honored the seniors of '65 to the annual Jr. & Sr. Banquet and Prom carrying out the theme of "An Evening in Paris," although we were kept busy and pretty confused with decorating, we felt it was a big success.

The day finally rolled around and we entered our senior year on August 30. We had seven mighty seniors including: Carol Atkins, Hazel Stanlecker, Ervin Jones, Jerry Eastin, Jim Smith, Bill Cowgill, and Jeanette Gorton, with Mr. Lorance as sponsor. Of this group only four had begun the first grade at Seibert. These were: Hazel Stanlecker, Ervin Jones, Jeanette Gorton, and Carol Atkins. Steve Santala left us for Kemper Military Academy.

On Sunday, May 22, the 7 seniors took their places in line and began the procession of their baccalaureate services at the Evangelical United Brethren Church. We realized in a few short days our high school careers would be ended. A few days later we found ourselves once more in line and ready for our final appearance as a class together, our commencement exercises at the Seibert High School Gymnasium. Our ship had at last docked from its twelve year voyage. It had been a long, rough, and tiring journey through our school years; but as we look back now, they seem happy carefree years, full of memories, which we will always cherish in our hearts.
